Work Experience

Scenic Artist - *Adirondack Studios*

September 2023-Present

Scenic painting in both shop and on-site environments for themed entertainment. Working with clients such as Walt Disney Imagineering and Universal Creative.

Responsibilities:

- Carrying out design intent through various faux paint finishes.
- Creating samples based on design drawings.
- Airbrushing, spraying, rolling, and brushing.
- Hand painting graphics and text signage.
- Color matching black light and white light paints.
- Executing black light paint techniques.
- Large scale backdrop painting.

Charge Artist - *Adirondack Studios*

March 2026-May 2026

Scenic painting and leading two on-site projects.

Responsibilities:

- Translating client expectations of scope of work to project personnel.
- Overseeing and executing Scenic Element theming and painting per approved show set drawings and specifications.
- Representing Adirondack Studios in a client facing capacity.
- Directing and supervising project personnel, teaching theming techniques as necessary for the project.
- Assembling and inventorying all project materials, tools, and equipment.
- Submitting daily logs including crew hours, task completion, material needs, and project delays.
